

A Soulful Treat

Easels and Grills - a unique concept at Malaka Spice, (every alternate Tuesday) saw different artists creating their masterpieces to the tunes of melodious sounds. We captured artists Amisha Mehta, Deepti Desai, Madhavi Sardeshpande and Ashwini Waikar creating magical strokes of art on canvas to melodious tunes. Caricaturist Prashant Sinha captured the entire ambiance in his own style. Guests were seen enjoying choicest veggie and meat grills and experimenting with Korean BBQ while sipping Chef Cheeru's Signature Cocktails. Trust Malaka Spice to bring something new and innovative each time for the city.
