### Shibani sets the pace

It was a glorious night of music at Pune Central where Shibani Kashyap performed live for the Times Pune Festival. As she sang her popular track *Sajna Aa Bhi Ja*, the crowd went rapturous. Youngsters from the audience became a part of the show, as they danced to the songs along with Shibani. The audience was also entertained with juggling, magic performance and spontaneous games with prizes for winners. The first day of Times Pune festival set the right note for the days ahead.

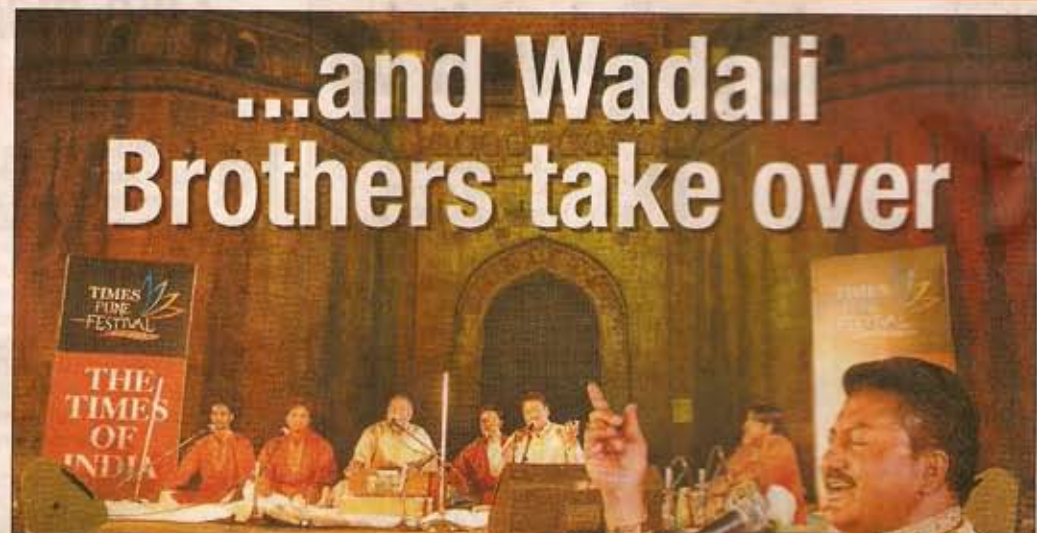

Caricatures, juggling acts, magic — they were all there
